

CLOUD-BASED TIMING FOR THE ENDURANCE SPORTS INDUSTRY.

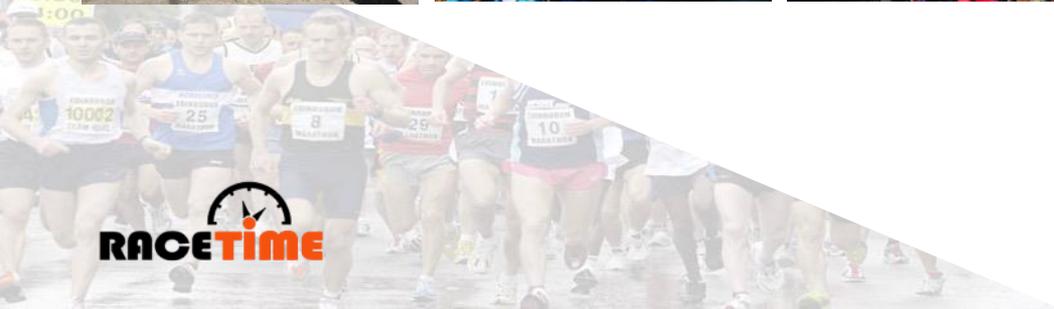

RACETIME

STATE-OF-ART EQUIPMENT & EXPERIENCE MATTERS!

RaceTime is the exclusive timer for MACSHA in the United States. Over the past 15 years MACSHA has dominated the timing industry across Europe, Asia and Latin America.

Experience matters... with more than 150 locations worldwide, 10,000+ races, and 20,000,000+ reads, there is very little we haven't encountered.

RaceTime has everything your events needs to *succeed!*

RaceTime was founded in 2016 by Race Timers with over 20 years of event timing experience. Our Macsha powered timing technology was developed over 15 years ago in Spain and timed more than *10,000 events*, varying in type and participants. Our experienced timers have timed events as small as 100 runners to events with over *40,000 participants!*

RaceTime provides a complete turn-key solution for race organizers!
